

Revive Texas Ministries

The University of Texas at Austin

Revive Texas exists for all college students to experience Jesus Christ and enrich their relationship with Him.

Our Vision

- 01** Unify and gather Christian students on campus.
- 02** Reach the nonbeliever with the gospel and create an environment where students in any stage of faith can experience the gospel and biblical preaching.
- 03** Empower students to take a next step with Jesus and get connected to the local church.

Who Are We?

Revive Texas was founded in September of 2022 by a small group of college students seeking to bring something like Breakaway Ministries to the University of Texas. We felt the need for a neutral, safe, noncommittal environment for students to come together and hear the gospel and worship their creator. Revive Texas is simply putting on weekly midweek worship services. We incorporated as a 501(c)(3) nonprofit in February 2023 and had our first event in April 2023. Currently, the Board of Directors is composed of the executive director and 2 committed adults. Revive Texas is also served by an advisory board of Austin area college pastors who guide and advise the Revive Team. Revive Texas is entirely student-led and prayer-dependent. Revive Texas is moving to weekly events for the first time in the 2024-2025 school year and we would greatly appreciate your financial support to make that possible
